

We are having a Book Fair. It will be held March 6-10, 2023 , in the school library. Each class will have a scheduled day and time to shop. We would like to invite parents and/or grandparents to come and shop with your child.

We will open the book fair each morning at 7:45 and close each afternoon at 3:15 for any parent who wishes to shop when bringing or picking up children. There will also be a family night on Tuesday, March 7th. You can come to shop until 7:30 pm that night.

You will also be able to shop online this year. Online Shopping begins on March 3th.

This year we will have a gift basket giveaway. For every \$5 spent at the book fair, your child will get an entry into the drawing. This will be given away on the last day of the book fair.

Methods of payment will include *CASH* and *CHECKS* (made out to *SES*). This year we will also be able to accept credit cards. *New this year - *EWallet* - Parents can create and add money to an ewallet account for your child. They can redeem this at the bookfair. They will be able to use this to purchase items at the bookfair.

All of this can be done using the QR code above. Thank you for your continued support in expanding your child's **LOVE FOR BOOKS!**
